

First Holy Communion

How to Use These Elements at Home:

The Home Guide contains everything you need to bring all the elements of *Go Seek Find* together for successful use at home. Although you may have to make some adjustments for this program to fit your time frame or the individual gifts and interests of your child, you will find a complete easy-to-use structure from which to start. The current lesson is designed to take 60 minutes from start to finish; however, this can vary depending on the unique pace at which you and your child move through the lesson. Parents are encouraged to break the 60 minutes into four 15 minute segments throughout the week.

Quickly reviewing the content and flow of a chapter before working with it will be especially helpful in making decisions about how best to tailor it for your child. Once you cover the first chapter, you will begin to find your own unique rhythm and will be able to make quick adjustments to further refine the program for a perfect fit.

You can involve the entire family in these lessons by gathering and preparing materials so that everyone can participate in the Core Learning Activity. This can make learning more fun, and it encourages learning across different ages. You will likely find that you enjoy these activities as well!

This program will be use at St. Michael's during the pandemic. Parents will work with their children at home preparing their child for receiving First Holy Communion.
