

Connect! Bringing Faith to Life - Parish

It's where faith and life come together!

*Connect! Bringing Faith to Life* is a 3-year interactive program that presents the core teachings of the Catholic faith to young people (6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup> grades) in a way that helps them connect learning with living. Special, unique and relevant *Life Issue* lessons help young people navigate life through the lens of faith.

**Filled with vibrant, active learning!**

Active and engaging lessons encourage honest reflection and meaning making. Using an accompaniment model of forming young people in the faith, this program meets them where they are and makes important, relevant connections that bring faith to life!

**Dive deeper into faith!**

Each year of the program explores the four doctrinal pillars of the Catholic faith (The Creed, Liturgy and Sacraments, Christian Morality and Justice, and Prayer). Within this framework, the program also offers chapters that are dedicated to a solid understanding and use of the Bible.

**Value, built right in!**

Imagine, just one student book for a comprehensive 3-year program! It's easy to navigate with color-coded sections and road maps to see what's covered in each year. You won't find this value anywhere else: a single book plus eLearning lessons included for all 3 years!
