

Elementary Program: Grades 1,3, 4 and 5

Discover! Finding Faith in Life, a brand new approach to children's faith formation, is here!

Filled with exciting, energetic learning that will get your kids out of their seats as they excitedly dive into the Bible and the teachings of the Church!

Our founder, Saint John Baptist de La Salle, believed that God's word is powerful in touching hearts. We still believe that today, which is why we've created a faith formation program that puts *The Catholic Children's Bible* at the center.

Each child receives their own *Discover! Kit*, containing everything they need for their exciting faith journey. Children will dive into Bible stories in their own *Catholic Children's Bible* to encounter Jesus through the stories and people of scripture. Then, they get out of their seats for a built-in energetic learning activity that helps build a meaningful lesson. Next, they connect the Bible story and hand-on activity with Catholic doctrine through age-appropriate prayers, puzzles, and challenges in their Activity Book. **Watch as they connect the dots and transform a learned faith into a joyfully lived faith!
